

Full Name Mahdi Vejgani  
Academic Rank Full Professor  
E-Mail vodjgani@ut.ac.ir  
Department Faculty of Veterinary Medicine  
Work phone ---  
Fax ---  
Web Site ---

#### Education

- 1) Ph.D , 1990, ,
- 2) Post doc, 1996, ,

#### Papers in International Journals

- 1) A Sadrebazzaz , H Haddadzadeh , K Esmailnia , G Habibi , Mahdi Vejgani, and R Hashemifesharaki . "Serological prevalence of Neospora caninum in healthy and aborted dairy cattle in Mashhad, IRAN." VETERINARY PARASITOLOGY 124, no. 3-4 (2004): 201-204.
- 2) Hamid Sharifi, , Ali Reza Bahonar, Saied Bokaie, Mahdi Vejgani, , , Abbas Rahimi Forooshani, and Leonidas Leontides. "effect of health disorders on the hazard of culling on the first or second lactation in iranian dairy herds." PREVENTIVE VETERINARY MEDICINE 109, no. 109 (2013): 144-147.
- 3) Mahdi Vejgani, Vahid Akbarinejad, and Amir Niasari-naslaji. "administration of ecg on day 6 postpartum could enhance reproductive performance of holstein dairy cows." ANIMAL REPRODUCTION SCIENCE 1, no. 138 (2013): 159-162.
- 4) Reza Yosefi, Mahdi Vejgani, Faramarz Gharagozloo, and Vahid Akbarinejad. "More male calves born after Presynch-Ovsynch protocol with 24-hour timed AI in dairy cows." THERIOGENOLOGY 79, no. 5 (2013): 890-894.

#### Papers in National Journals

- 1) Nahid Atyabi, Parviz Havarashti , Mahdi Vejgani, Parviz Tajeek , and Jalal Vandyosefi . "Artificial insemination encountered with Haemophilus somnus infection in cattle." IRANIAN JOURNAL OF VETERINARY RESEARCH 6, no. 1 (2005): 62-65.
- 2) Nahid Atyabi, Mahdi Vejgani, Gharagozloo F , and Ali Reza Bahonar. "Prevalence of bacterial mastitis in cattle from the farms around Tehran." IRANIAN JOURNAL OF VETERINARY RESEARCH 7, no. 3 (2006): 79-76.
- 3) Nahid Atyabi, Rasol Youssefi , Golshid Javdani Shahdin , Abbas Tavasouli, Mahdi Vejgani, and Faramarz Gharagozloo. "Isolation of Erysipelothrix rhusiopathiae from aborted lambs in Iran : A case report." Iranian Journal of Veterinary Medicine 6, no. 2 (2012): 119-122.
- 4) Reza Yosefi, Mahdi Vejgani, Faramarz Gharagozloo, Mahmoud Bolorch, and Ali Reza Bahonar. "evaluation of the effect of presynch ovsynch program on reproductive performance of dairy cows with retained fetal membrane." Journal of Veterinary Research 68, no. 2 (2013): 143-150.
- 5) Faramarz Gharagozloo, Reza Yusefi, Mahdi Vejgani, Vahid Akbarinejad, and Ghazaleh Rafiee. "androgen receptor blockade using flutamide skewed sex ratio of litters in mice." VETERINARY RESEARCH FORUM 7, no. 2 (2016): 169-172.

#### Presented Papers in International Conferences

- 1) Mahdi Vejgani, , and Farhang Sasani. "Uterine lymphosarcoma in a pregnant dairy cow : A case report." XX World Buatrics Congress, Sydney.
- 2) , Parviz Tajik, Mahdi Vejgani, and . "Maturation in vitro of water buffaloes oocytes in TC-199 with different concentrations of FCS." The 26th World Veterinary Congress, Lyon.
- 3) Faramarz Gharagozloo, Mahdi Vejgani, Mahmoud Bolorch, Yousef Jafari Ahangari, and Amir Saied Javan. "Comparison of three deposition sites of ram semen on pregnancy in Chall ewes." 14th International Congress on Animal Reproduction, Stockholm.

- 4) Mahdi Vejgani, Faramarz Gharagozloo, Nahid Atyabi, Parviz Hoursheti, and Mohammad Gholi Nadalian . "Efficacy of Pantamate in Campilobacter abortion." 14th Intern. congress on animal reproduction, Stokholm.
- 5) Mahdi Vejgani, Parviz Tajik, and . "Study of congenital defects (CD) and genital deseases in ewe and economical loss due to culling pregnant ewe in abattoir in suburb of Tehran." XXII World Buiatrics Congress, Hannover.
- 6) Nahid Atyabi, Parviz Hoursheti, Mahdi Vejgani, and . "Haemophilus Somnus Encountered with Artificial Insemination in Cattle." 27th World Veterinary Congress, Tunis.
- 7) Mahdi Vejgani, , , and . "Comparison three treatment of penicilin, sulphanamide and trimetoprime and ceftiofor Na (Excenel)on cure rate of toxic metritis." xxIII World Buitrics Congress, Quebec City.
- 8) Ali Reza Bahonar, , Faramarz Gharagozloo, and Mahdi Vejgani. "A case control study on factors associated with mastitis." 13th International Conference Production Diseases in Farm Animals, Leipzig.
- 9) Ali Reza Bahonar, Ahmad Erfanmanesh, Faramarz Gharagozloo, and Mahdi Vejgani. "A case-control study on factors associated with mastitis in dairy cows in the suburb of Karaj city- Iran." 13th international conference of production diseases in farm animals, Leipzig.
- 10) Amin Ebrahimi, Faramarz Gharagozloo, and Mahdi Vejgani. "Factors influencing on parturition time in Holstein cattle inTehran." 58th Annual Meeting of the Europian Association for Animal Production, Dublin.
- 11) Zohreh Khaki, Seideh Misagh Jalali, Faramarz Gharagozloo, Mahdi Vejgani, and Seyd Babak Sajadi Naeini. "Identification of serum biochemical parameters of dairy cattle fed with herbal additives which known as milk production increaser--." Veterinary and Comparative Clinical Pathology Confernce,.
- 12) Mahdi Vejgani. "Chossing the best method of synchronization for ewe flocks." the 4th International Congress of Large Animal Practitioners, Tehran.
- 13) Faramarz Gharagozloo, ali salimi viyari, Mahdi Vejgani, Vahid Akbarinejad, Hamid Reza Dehghan, Hafez Sadeghi, Hamid Reza Fedowsi, Reza Arjomandi, and Moshkj Gharavi Ghara. "comparison of two methods of estrus synchronization with progesterone and 5 day ovsynch on reproductive indices of shal ewe in breeding season." the 5 international congress of large animal practitioners, Tehran.
- 14) Faramarz Gharagozloo, hafez sadeghi, Mahdi Vejgani, Vahid Akbarinejad, hamid reza dehghan, and Ali Salimi. "evaluation of the effect of presynch-ovsynch protocol following administration of PMSG 6 days postpartum on holstein dairy cows." the 5 international congress of large animal practitioners, Tehran.

#### Presented Papers in National Conferences

- 1) , Mahdi Vejgani, Faramarz Gharagozloo, Abas Barin, and Ali Reza Bahonar. "Comparison of three different parental treatments of toxic metritis in postpartum dairy cows." 14th Iranian Veterinary Congress, Tehran.
- 2) , Mahdi Vejgani, Faramarz Gharagozloo, , and . "Evaluation of leukogram in clinical and subclinical mastitis in dairy cxows." 14th Iranian Veterinary Congress, Tehran.
- 3) , Mahdi Vejgani, Faramarz Gharagozloo, Ali Reza Bahonar, and . "Reproductive efficacy and cost benefit of Presynch-Ovsynch protocol in dairy cows with RFM." 7th Convention of Iranian Veterinary Clinicians, Tehran.
- 4) Zohreh Khaki, , Faramarz Gharagozloo, Mahdi Vejgani, and . "Effect of herbal drug on bovine biochemical and blood elements." 7th Convention of Iranian Veterinary Clinicians, Tehran.
- 5) Nahid Atyabi, , , Abbas Tavasouli, Mahdi Vejgani, Faramarz Gharagozloo, and Maryam Hashemiyan. "Isolation of Erysopilotrix rhopisathia in aborted lambs in Iran." Seventeen Iranian veterinary animal science assosiation, Tehran.
